tender of the successful Contractor has not been received approved.

Copies of estimates and plan can be seen in the Office of the Executive Engineer, Chitaldrug Division, on all working days between 11 A.M. and 5 P.M.

Specific rates should be quoted both in figures and in words for each individual items of work. Tenders offering percentage reduction or increase will be rejected.

For all lumpsum items, only minimum Schedule of Rates or data *plus* 10 per cent will be given if the rates do not appear in the Schedule of Rates. All over writings and corrections while submitting the tenders should be attested by the tenderer.

The quantities given in the estimate are only approximate and the drawings shown to the Contractor are only tentative and are liable to alterations, omissions, deductions, or additions, at the discretion of the Executive Engineer or his representative. The tender rates will hold good for any quantity, whether higher or lower than those given in the estimate.

The Contract should not be sublet.

The Contractor should make his own arrangements for transportation of materials.

The Contractor is responsible for all accidents to workmen, etc., on the work and he must take precautions against all risks of accidents and if necessary provide for the same by insurance at the proper time. The Contractor should arrange for the payment of royalty, toll, taxes etc.

B. N. SRIHARSHAN,
Executive Engineer.

DAVANGERE DIVISION.

1196a

Notification dated 28th October 1953.

No. G.N. 70. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 3 P.M. on 27th November 1953, for the supply of the following, the terms of delivery being F.O.R. Talaguppa.

The tenderers should quote their best billing prices, which should be firm for a period of one month from the due date of the tender. The rates should be quoted in figures and words. The earliest period within which delivery would be effected may be specified in the tender. Full specifications regarding make, etc., should be specified in the tender along with manufacturer's name, etc., complete. Samples, wherever possible, should be sent for inspection. The quantities in each item to be purchased may be varied according to actual requirements at the time of placing orders.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in this Department for local purchases.

The tenders should be superscribed as "Tender for the supply of Work-field water filters with air tight fitted candles 2½ glns. capacity" to be opened on 28th November 1953 at 10 A.M.

1.	Work-field water filters with air tight fitted candles 2½ glns. capacity.	6 Nos.
